

Chapel Hill, NC - On Thursday, August 4, 2005, US Rep. David Price will speak publicly at a Forum to Defend Public Broadcasting in Chapel Hill.

Price, a staunch defender of our public airwaves, was at the forefront of the fight against media consolidation in recent years. More recently, he has led the charge against the efforts of the Bush Administration and the Republican leadership to cut funding for public broadcasting. Also participating in the Forum will be Jim Goodmon, President and CEO of Capitol Broadcasting.

The meeting is open to the public.
