2015 Housing and Economic Impact

Our investment produced \$1.3 billion in housing and sent \$1.5 billion in wages and spending through the economy:

- 5,087 homes
- 4,210 apartments
- 983 housing rehab and emergency repairs
- 86 supportive housing apartments
- 14,200 jobs supported
- \$76.0 million tax revenue

By year's end, we had made over 21,300 loans to help families affected by unemployment keep their homes under the N.C. Foreclosure Prevention Fund.
